Hard top cover trailer GT-HT, the perfect companion

A perfect travel companion is always reliable - as is your Anssems aluminium hard top GT trailer. The design has been created to meet all your needs, with its locking hard top lid keeping all your belongings secure. The trailer is easy to use, being made from lightweight, high-quality materials, ensuring years of trouble-free travel.

Anssems Quality

The hard top is supported by strong gas springs when open, creating a large opening with easy access to both sides and the rear of the trailer. The red pull cord located at the rear of the trailer makes closing the lid easy once your trailer is loaded. The mud-guards are made from a flexible, sustainable plastic, minimising damage to you and the environment. The rear lights, jockey wheel, axle, braking system, and coupling are all of premium quality.
