FLATBED TRAILERS

**“ONLY THE TOUGHEST
EQUIPMENT WILL DO”**

Medax, the heavyweight champion

The Medax flatbed trailers are built for intensive use. There is a range of 29 models with a gross weight capacity ranging from 2600 to 3500 kg, so there will always be a model to meet your transportation needs. Its smart design, maintenance-friendly construction and high-quality finishes make the Medax the flatbed trailer of choice for the professional user.

Medax tandem

Medax tridem

Medax Go-Getter tandem

Medax Go-Getter tridem

The loading floor is supported by a heavy-duty steel space frame. The axles, wheels, braking system, and jockey wheel are all of premium quality. The built-in lockers, the side panels that neatly fold underneath the loading floor, and the multiple fixed tie-down points make it ideal for working with Medax.

Medax Go-Getter

The Medax Go-Getter is a striking flatbed trailer with many extras such as black panels, black rims, and a black 55L toolbox on an A-frame, fully equipped with LED lighting. Get your Medax Go-Getter today!

Robust spaceframe

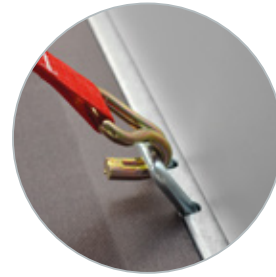

Long tie-hooks under the floor

Build-in lockers
Easy and safe to use

Back-panel provided with extension supports

Many tie-hooks at the innerside

Split sides (length > 5 meter)

Integrated marker lights (LED) at the sides

Customise your Medax

With a wide selection of accessories, you can customise your Medax to suit your needs. You can choose from propstands, winches, axle shock absorbers, spare wheels with supports, marker lights, high covers or ladder racks. Hulco has it all - even a flatbed trailer without sides or ramps stored under the loading floor!

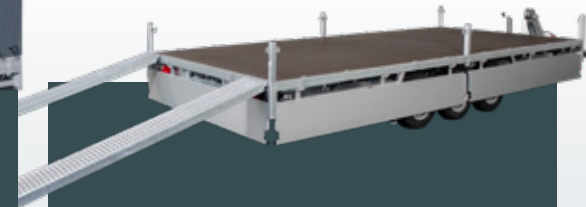

**“WE GET THE
JOB DONE”**

Extra tie-down possibilities with the ladder rack of 80cm high are available. The spare wheel and its support can be mounted onto the ladder rack.

The Medax with high cover offers even more possibilities, available in internal heights of 180cm and 210cm.

All Medax models can be equipped with steel or aluminium ramps of a length of 250cm, which can be stored in the ramp holders.

Accessorie:
Steel or aluminium ramps,
stored in ramp holders

Accessorie:
Propstands,
in one-hand useage

Hulco

For professionals with standards.

You've got everything you need right behind you, because Hulco has been here for you since 2003. Hulco Trailers are for the real professional; they are trailers for the toughest jobs, with uncompromising quality, indestructible construction, and premium quality materials and perfect finish. We don't shy away from complexity, and we exceed the wishes of professionals due to our well-thought-out design and automated processes. This allows us to consistently deliver the highest quality, carefully assembled and quality-controlled products, including accessories from our own factory. And everything we do, we do for the Hulco user; that is why our offer is so competitive.
