BEST INVESTMENT”**

Terrax: professional equipment

Professionals can rely on the quality of Hulco Terrax plant trailers and load them to the max – a challenge the Terrax is built for. The strong chassis with its many tubular profiles creates an excellent loading floor support. The low floor height, in conjunction with the robust tailgate ramp, shovel-support, multiple tie-down points and integrated lights, makes the Terrax a professional tool, ideal for excavators, platform machines and shovels.

Terrax tandem

Terrax tridem

Terrax Go-Getter tandem

Terrax Go-Getter tridem

Extremely strong platform support because of the many bearers

Integrated rear lighting

Many fixed tie-down possibilities

Integrated propstands on tailgate ramp (no extra propstands needed)

Standard equipped with excavator bucket support on the A-frame

Very small slope angle

Accessorie: winch with support

Plant trailers Terrax-Basic

Hulco has established a professional range of plant trailers. The Terrax-Basic models have been specially designed for smaller vehicles and machines. The Terrax-Basic is equipped with a high-grip plywood loading floor, ideal for transporting ATVs, quads, garden machines, and lawn mowers.

Terrax-Basic enkelas

Terrax-Basic tandem

Terrax Go-Getter

The Terrax Go-Getter is made for those who want to stand out and benefit from its many extras, including anti-skid strips, an extra-heavy jockey wheel, black sideskirts, black steel rims and full LED lighting.

Accessorie:
Axle shock absorbers for
extra driving comfort

Accessorie:
Gas spring for tail ramp
(ramp height 150 cm)

Accessorie:
Mesh sides
height 70 cm

Accessorie:
Coupling raisers
height 5 or 10 cm

Accessorie:
Ladder rack
height 80 cm

Accessorie:
Terrax Wheelstop

Accessorie:
Front filling piece
(8 cm)

Hulco

For professionals with standards.

You've got everything you need right behind you, because Hulco has been here for you since 2003. Hulco Trailers are for the real professional; they are trailers for the toughest jobs, with uncompromising quality, indestructible construction, and premium quality materials and perfect finish. We don't shy away from complexity, and we exceed the wishes of professionals due to our well-thought-out design and automated processes. This allows us to consistently deliver the highest quality, carefully assembled and quality-controlled products, including accessories from our own factory. And everything we do, we do for the Hulco user; that is why our offer is so competitive.
